## **EXPERIENCE COUNTS!**

**Piping Supplies Inc has been machining navy flanges in New Jersey for over 50 years. During that time, we have shipped to every shipyard in the country. We have most of the Newport News/Huntington Ingalls print on file plus the ability to source any needed documentation.**

**PSI is certified in and follows the strict guidelines of NORFORN.**

**With our experience, we can usually process a RFQ in 1-2 days.**

## **Standard Flanges used for Navy Applications**

	<b>MIL-F-20042 250# Socket Weld</b>
	<b>MIL-F-20670 150# Type C Slip-On</b>
	<b>MIL-F-20670 150# Type D Weld Neck</b>
	<b>MIL-F-20670B 150# Type D Modified to a Socket Weld style Flange (Technically, does not exist in the spec)</b>
	<b>MIL-F-20670 150# Blind Flange (Technically, does not exist in the spec)</b>
